

Lip Sync Battle

presented by Wonderfeet Kids' Museum

Sponsorship Opportunities

This will be a night to remember - local talent will delight you on-stage with performances like no other. Teams from local businesses, organizations, and agencies will select a song or mash-up and perfect their dance moves to “wow” all in attendance in hopes of becoming the champions of the Lip Sync Battle. Last year, over 700 attendees watched as we raised a record amount of funds to support Wonderfeet Kids' Museum and its outreach programs. This year's event will take place Saturday, April 29.

About Wonderfeet Kids' Museum

We foster curiosity and exploration, inspire creativity and ignite the imagination of every child through the power of play. We play and learn together to build a more vibrant community.

Our values include:

- Caring and inclusive environment
- Relevant and interactive learning
- Vibrant community partner and resource
- Energized by play and fun

What Wonderfeet Kids' Museum means to our community:

"Well for grown ups to get strong muscles they need to exercise. And for kids to get strong brains they need to play, well it's good for your whole body, to be exact. So playing is good." - Wells, age 7

"We purchase a grandparent pass to the Wonderfeet Kids' Museum each year. There are activities geared toward all five (going on six!) of our grandchildren ranging from ages 2 through 10. I love that we can foster a lasting relationship with each child while engaging in fun activities." - P. O'Connor

"My daughter loves spending time exploring all of the interactive and hands-on activities at Wonderfeet. The staff has developed a family friendly atmosphere that meets the needs of all ages and abilities. Their theme nights, camps and events offer additional opportunities for families to spend time together and become more involved in our growing community. We love it there!" - C. Downs

"Wonderfeet Kids' Museum allows our students with various behavioral and emotional needs and the opportunity to work on their goals in an engaging and community-based setting. It is the best setting for exploring new things and meeting new peers." - N. Eaton, Rutland Mental Health Services
